

From the Principal's Desk

Dear Faculty Members and Students,
The vision mission of Silapathar College is to create and impart higher education by dissolving barriers and creating an apt environment for holistic progression of the students, academically and beyond with focus on the rich multi-cultural milieu of the land. Keeping in this view the College has introduced Science Stream in B.Sc from the academic session 2020-2021 under the aegis of Government of Assam. The College has been placed in 138th Position among the best Arts Colleges of India by India Today in 2021. Apart from this in the academics and research areas, various departments organized online webinars, seminars, published research papers and presented papers in seminars by our faculty members. We have also made our belief in community outreach and organized many extension activities through the National Service Scheme (NSS), Eco Club and Women Cell. We have also extended help and support to those in need during COVID.

I look forward for more activities and achievements to march towards excellence in the future. I would like to thank all teaching, non-teaching staff and our beloved students for their active participation in publishing this newsletter. My special compliments and congratulations to the editorial team for their consistent effort in bringing out this informative newsletter on time.

Newsletter of Silapathar College, Silapathar
Vol. VI No. I, 2020-2021

From the Editor's Desk

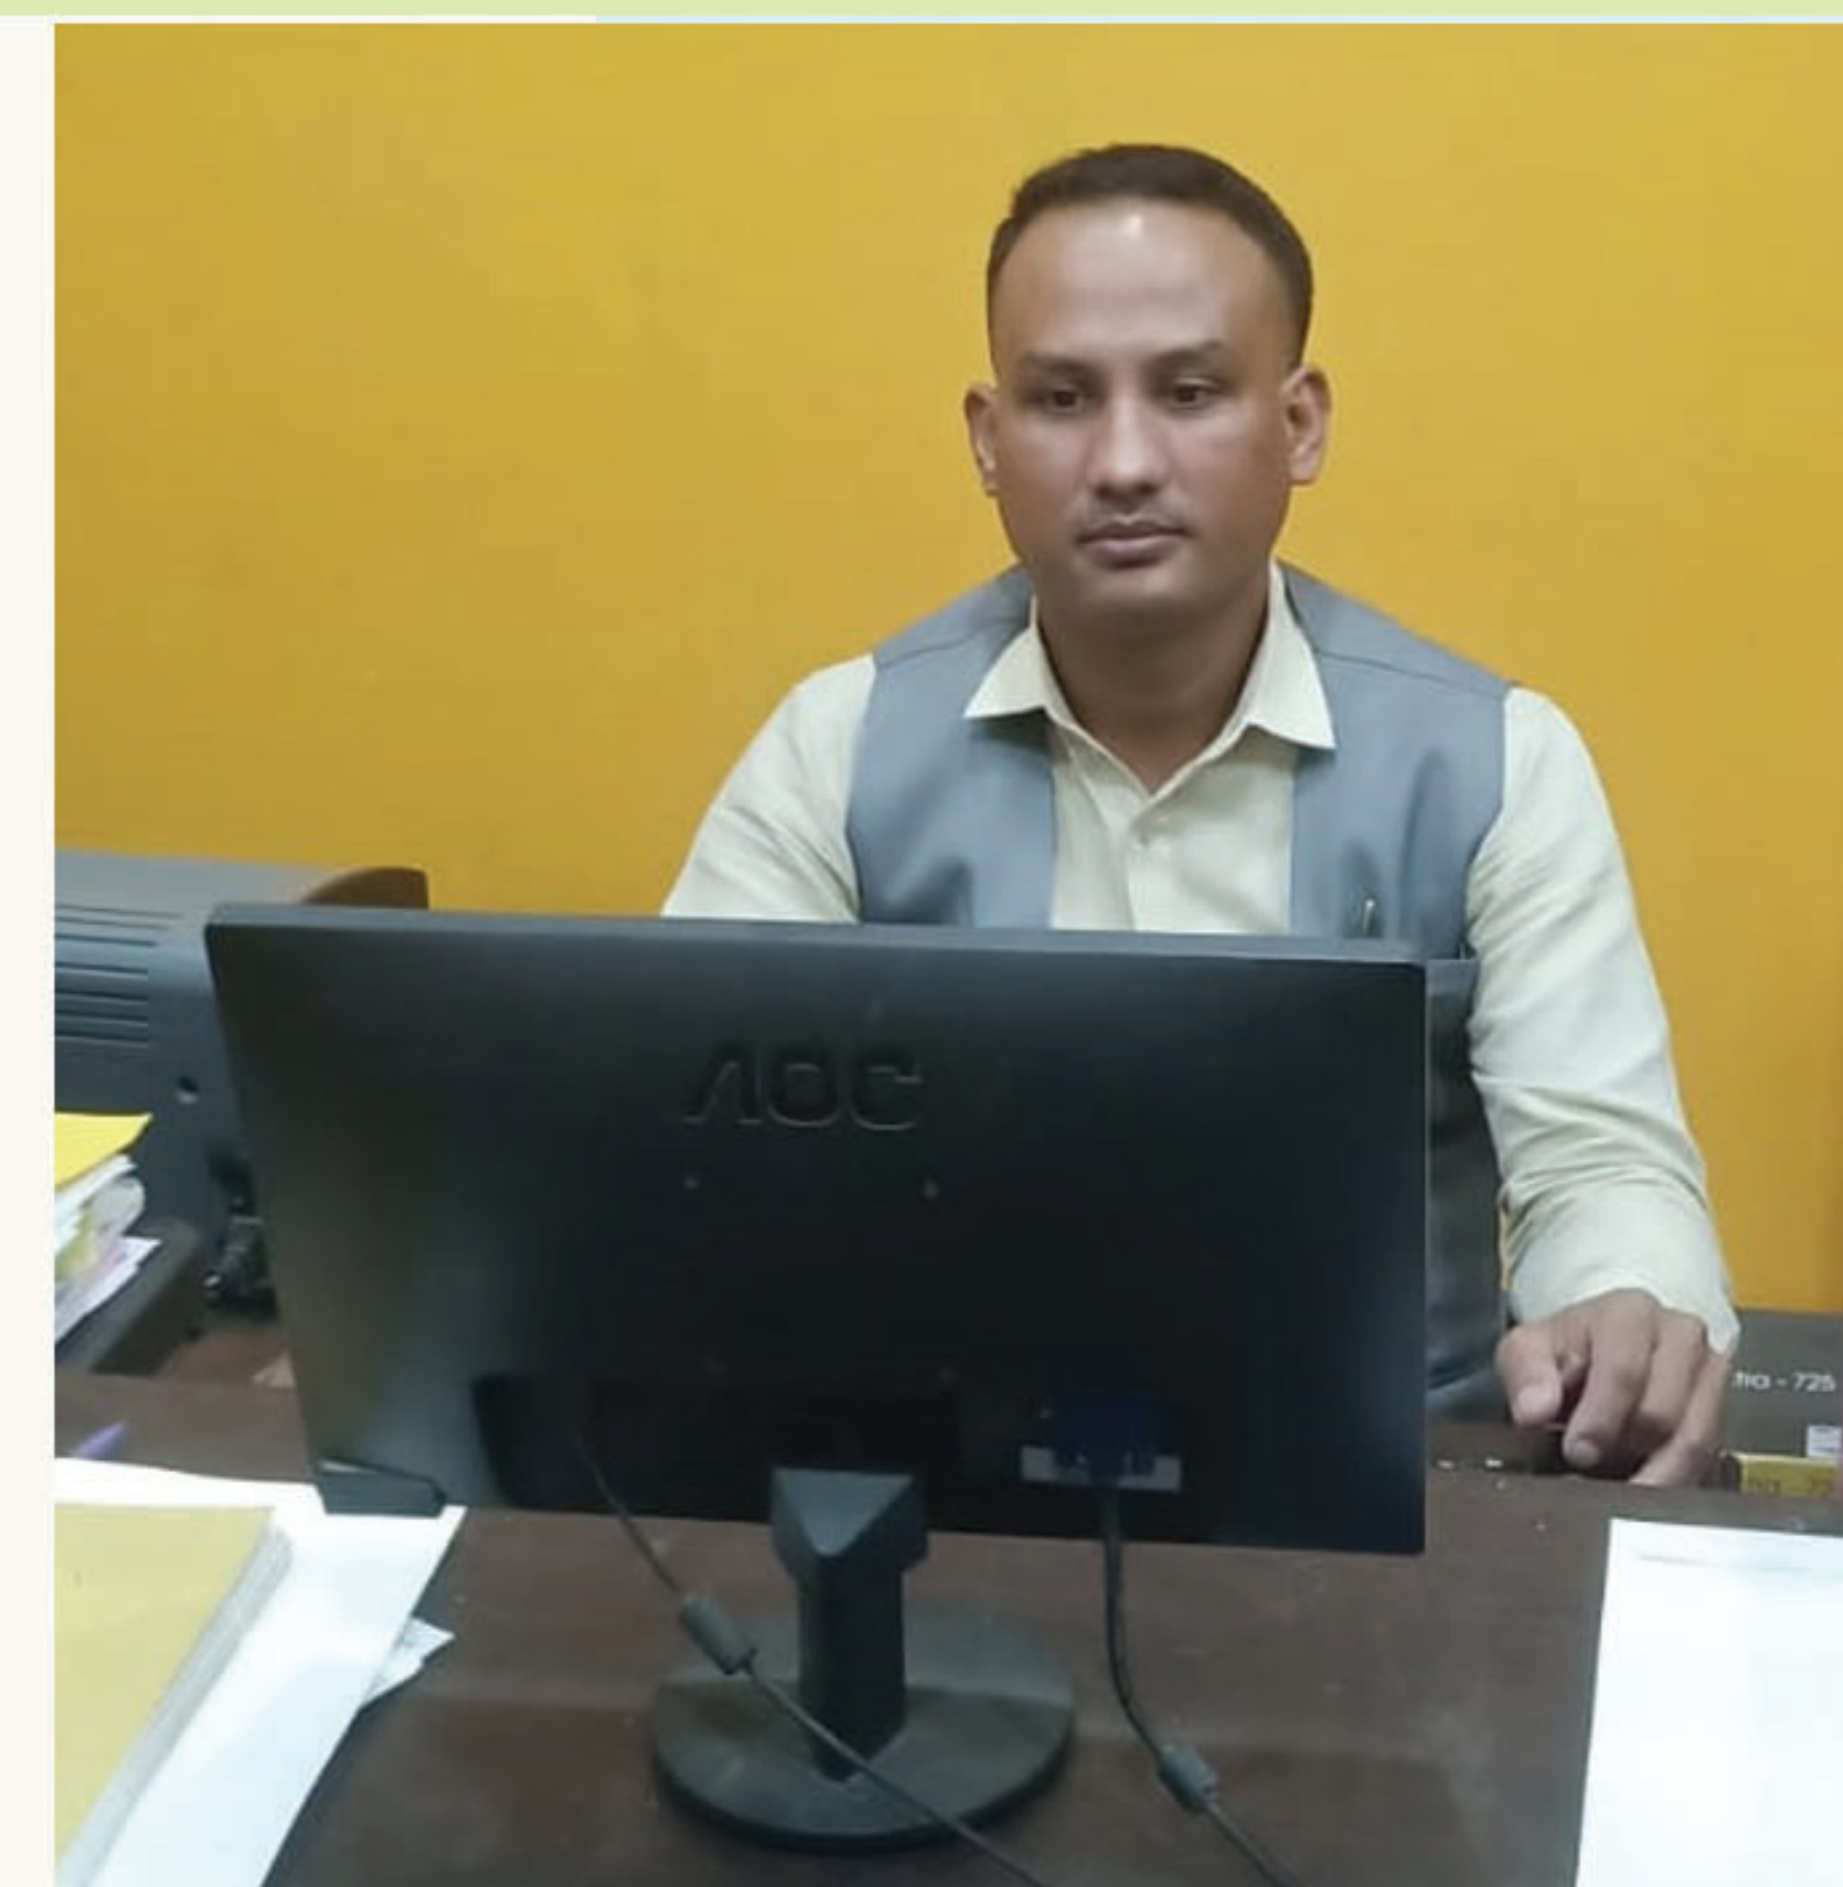

Dear Readers,

I am pleased to share with you the VIth issue of the newsletter of SPC. The COVID-19 pandemic no doubt has disrupted the economic as well as academic activities of the country. In this tough times Silapathar College putting its best effort and strives

to keep the vision and mission of Silapathar College alive through its yearly newsletter by keeping the forum on relevant news. This newsletter would be a snapshots of the various activities and advancement for all associated with Silapathar College. Usually, we fail to appreciate the good deeds of many people and their activities that happen around us as we are engaged in irrelevant talks and assumptions. As such this newsletter will serve to reinforce and allow increased awareness, improved interaction and integration among all of us. This newsletter will also provide proper medium for acknowledgement and respect all of these efforts and its results.

I would also like to take the opportunity to thank the contributors of the newsletter as well as the teaching, non-teaching staff and our beloved students for their constant support in making this newsletter a success.
